

Advent 4 Love – “*There Once Was a King*”
Luke 2:1-14

Intro:

Within the text, is a subtext... in the text it speaks of kings and kingdoms, and what appears to be the significant, powerful and important people... the kinds of people who are in control. Likewise, we find what appears to be insignificant, inconsequential... and the kinds of people who are not in control. It's all in the text... *it's part of the subtext.*
