

“Our Rabbi's Purpose: Deliverance from Exile”
Luke 4:17-19

Intro:

Three places are very significant to any Old Testament person...

I. Egypt:

- A place of exile and slavery, a place where people knew in their spirit that we are far from home, cut off from our identity and our mission as a people.

Egypt is a symbol of bondage to sin that people experience individually.

II. Sinai:

- At Sinai God gives His people two things...
 - A. _____ – “You belong to Me.”
 - B. _____ – “You are to be a light to the nations.”

III. Jerusalem:

- The idea of repentance comes from two Hebrew verbs –

(1) “shuv” which means = _____

(2) “nic-ham” which means = _____

“Come back to your identity, and return to the mission that I gave you as the people of God in the world”

Application: Where are you in this story?
